

## LOCAL AGENCY FORMATION COMMISSION OF SANTA CRUZ COUNTY

### **SPECIAL DISTRICTS GOVERNANCE POLICY**

Adopted on December 7, 1994 (Resolution No. 801-D)  
Last Revision on October 7, 2020 (Resolution No. 2020-28)

#### **1. OVERVIEW**

The Special Districts Governance Policy was first introduced in December 1981. The intent was to set rules and regulations that will govern the functions and services of independent special districts. The purpose was to clarify the legal requirements under Government Code Section 56450 et seq. These particular sections were eventually repealed and replaced with the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 ("Cortese-Knox-Hertzberg Act" or "CKH Act"). The Cortese-Knox-Hertzberg Act establishes procedures for local government changes or organization, including city incorporations, annexations to a city or special district, and city and special district consolidations.

#### **2. GOVERNANCE**

There are three primary sources of authority for forming and reorganizing special districts. The first is the special district's enabling act. Most types of districts have a series of statutes specific to that type of special district. These statutes often contain the procedures for creating that type of special district. The second is the Cortese-Knox-Hertzberg Act, which governs the establishment and reorganizations of local governments. Finally, there is the District Organization Law, which provides standardized special district organization and governance procedures for certain types of special districts<sup>1</sup>.

For purposes of this policy, the following sections will focus on the special districts under LAFCO's purview in accordance with Government Code Section 56036:

- a) "District" or "special district" are synonymous and mean an agency of the state, formed pursuant to general law or special act, for the local performance of governmental or proprietary functions within limited boundaries and in areas outside district boundaries when authorized by the commission pursuant to Government Code Section 56133.
- b) "District" or "special district" includes a county service area, but excludes all of the following: (1) The state, (2) A county, (3) A city, (4) A school district or a community college district, (5) An assessment district or special assessment district, (6) An improvement district, (7) A community facilities district formed pursuant to the Mello-Roos Community Facilities Act of 1982 (California Government Code section 53311 et seq.), (8) A permanent road division (formed pursuant to California Government Code 1160), (9) An air pollution control district or an air quality maintenance district, and (10) A zone of any special district.

**3. PRINCIPAL ACTS**

Principal Acts are statutes established for an entire category of special districts. The Commission creates and governs independent special districts under the authority of these acts. Each special district type has its own principal act. Exhibit A is a list of independent special district types, the location of the associated principal act, and other relevant information about the district types.

**4. SPECIAL ACTS**

Special Acts are statutes that address the specific needs of a community and establish a specific special district to address those needs. These districts (rather than district types) are uniquely created by the Legislature. Below is a list of special acts affecting Santa Cruz County:
